New Home for DA-40

Premier Air just announced that the company's flagship aircraft, a Diamond Star DA-40, has found its new home at Lincoln County Airport. It will be anchored at this location starting February 1st, 2009. Diamond Stars are very popular with aircraft owners, renters, students and instructors alike. It features a Garmin G1000 cockpit, spacious interior, autopilot and qualifies as a Technically Advanced Aircraft (TAA). "A lot of success stories come from those who fly Diamonds, and we are ready to bring it here" said Ryan Akin, Premier Air's part owner and president.

New Talent at Premier Air

Fady Elmeceery

In addition to the experienced staff at Premier Air, two seasoned instructors have joined the team. Their talent and dedication to excellent instruction will be an asset to Premier Air.

Fady Elmeceery CFI, CFII, MEI

Fady has over 538 hours of instruction experience in single-engine and multi-engine complex aircraft. He also has hundreds of hours of glass cockpit experience. Additionally, his High Altitude and High Performance endorsements were completed in a Cessna Citation CE525. Fady takes pride in his exceptional students' check ride pass record.

Leah Dale

Leah Dale CFI, CFII, MEI, AGI

Leah is a professional pilot with over 420 hours of dual given in single and multi-engine aircraft. Her experience includes over 300 hours of dual given in Diamond DA-40 aircraft which are equipped with a G-1000. Aside from her flying qualifications, she prides herself in keeping a professional manner, and knows the importance of safety and customer satisfaction.

Learning Your Lesson

Premier Air is proud to offer night and weekend ground courses for Private and Instrument students. Courses are six weeks, and consist of weekly two hour group lessons at Lincoln County Airport (KIPJ). The courses will offer structured instruction on flight techniques as well as oral and practical check ride prep.
